LEITER RACER SCORES

Prince Hotspur Triumphs in Post Parade Purse by Nose.

Renaissance Forces Victor to Limit in Race for Derby Eligibles —Sazerac Is Fourth.

NEW ORLEANS, La., March 15.—Prince Hotspur, son of Dunlin and Lady Emmeline and carrying the racing silks of Joseph Leiter of Chicago, and coupled in the betting with Princess Camelia, defeated J. J. Robinson's Renaissance by a nose in the mile Post Parade Purse, for three-year-olds, which headed a splendid program of eight races at the Fair Grounds today. S. W. Labrot's Springsteel was third and Sazerac, the Westy Hogan colt, which races for A. B. Letellier and ruled a slight favorite over the triumphant Leiter entry, fourth.

Sazerac failed in a bold attempt to give away much weight to such formidable opponents and, after stubbornly opposing Renaissance, the leader, for slightly more than three-quarters, dropped back under his impost of 115 pounds. Springsteel, which was beaten by two and one-half lengths by the winner and Renaissance, defeating him by a length for third place.

Ill-luck at the start, in which Renaissance, ridden by A. Pascuma, got away in motion, also reduced Sazerac's chances. From a slow start J. H. Burke rushed him in the first quarter, the end of which found him only a length back of the leading Renaissance and after a half-mile they fought head and head for more than a quarter before the Letellier colt tired. As Sazerac dropped back, Prince Hotspur, on which A. Anderson had the mount, came up on the outside and, though very tired, succeeded in getting up for the close decision. Renaissance also tired badly in the final drive, where Springsteel held on in rather even fashion.

FAST TIME.

Prince Hotspur had up 106 pounds and ran the distance under excellent conditions in 1:40⅕. Renaissance carried 112 pounds.

All of the three-year-olds that engaged in the race are eligible for the Derby, and the race served as a final competitive opportunity for those of the seven going after Saturday's prize. Their meeting was of such interest to enthusiasts that the attendance ran far above corresponding days in recent weeks. Warm, sunny weather ruled.

Delmonico proved that his last win was no fluke when he vanquished Crowned Head, Rave and seven others over seven furlongs in the sixth race. E. James drove him to the end of the route a length in front of Crowned Head, which in turn outstayed Rave by a neck. Traumel was fourth and Starch, favorite, badly distance by the leaders. The defeat of the latter marked the undoing of the fifth betting choice in successive races.

Chimney Sweep, which went to the post at one to five, the shortest odds of the meeting, was soundly beaten by R. A. Fairbairn's three-year-old filly, Sarietta, in the Bonnet Carre Purse, fourth race and the secondary feature. Chimney Sweep was ridden by Gilbert Elston, who was trying for his third winner of the day astride the C. V. Whitney sprinter. Sarietta led throughout and won well in hand by three lengths, as Chimney Sweep raced home with a six-length margin over Tweeny, which took third over Busted and the three others.

PASCUMA RIDES WINNER.

Sarietta's victory marked the first of the winter for the daughter of Stimulus and Sari. She was ridden by A. Pascuma and under 106 pounds ran the distance in 1:13.

Apprentice Elston, who equalled the best riding mark of the winter here when he won with four of his mounts yesterday, just missed adding another to his fine record for the winter when C. V. Whitney's Blow Fly was beaten a head by Judan, the F. E. Fitzgerald starter, in the three-quarters opening race for maiden three-year-old fillies. At the end, the winner and Blow Fly held only short advantages over Rita Ann and Austere, third and fourth, respectively, and the finish compared with the most thrilling witnessed during the meeting. The race was stubbornly contested at almost all stages and but for the failure of Transmit, third choice to the winner and Blow Fly, to share in honors, the fancied were the more successful.

Although he probably did not have the best horse, Elston drove K. Russell to victory by a nose over Elkhart in the second

SPANISH PLAY IN THE FAR WEST

Reaches Mexican Track Without Mishap and Is Reported Ready for Engagement in Agua Caliente Handicap

AGUA CALIENTE, Mexico, March 15.—Spanish Play, the crack four-year-old son of Spanish Prince II., is ready for the Agua Caliente Handicap. The sterling handicap horse arrived safe and sound this morning after a fast trip from New Orleans and will be rested today preparatory to being given his first exercise over Mexican soil on Wednesday. Owner Pat Knebelkamp, and trainer Charlie Gross, who accompanied the animal, report that he was never better and expressed themselves as confident that he would carry off the $50,000 prize next Sunday. Jockey Charlie Landolt, who has ridden Spanish Play in most of his major engagements, also made the trip and will have the leg up on the gelding in the big race.

The safe arrival of the invader created some action for him in the future book ring and was responsible for his price being lowered from 3 to 1 to 2½ to 1. He and Cabezo, winner of the Walter P. Montague Memorial on Sunday, are now split choices for the race. They are each 2½ to 1 to win, even money to place and 1 to 2 show.

Interest in the race is growing by leaps and bounds as the contest looms up as the most open "Caliente" ever held. In 1930 Victorian was a steady favorite from the time the future book opened until its close and won the race, while Sun Beau, which was doomed to disappointment, was the choice all through the early betting for the 1931 running. This season no less than five horses have held the position of favoritism at one time or another. Phar Lap was the first to be installed choice. He was replaced in the honored position after a remarkable trial by Dr. Freeland, then Joe Flores, a sensation early in the year, was placed at the head of the field only to be supplanted by Dr. Freeland again quite recently.

Cabezo, after his race on Sunday, was awarded the position of honor by Zeke Caress and now Spanish Play is equal favorite with the Anderson three-year-old.

As the prices on the former favorites now stand, Phar Lap is 3 to 1 and Joe Flores and Dr. Freeland 6 to 1. Reveille Boy has been fairly steady at 4 to 1, while Marine was boosted from 6 to 8 to 1 this morning. Possible starters after the result of Sunday's races are Scimitar, Nacho and Whipper Cracker. They were heretofore regarded as but having little chance, but it is thought that their owners may send them to the post.

Bill Hartman, owner of the Oak Tree Stable and one of the most successful of the Agua Caliente trainers, will positively send Bahamas postward and furthermore is of the opinion that the consistent three-year-old will win the stake. Bahamas can run equally as well over a wet or dry track and will have in jockey Longden a greatly improved pilot. Bahamas is 6 to 1 in the future book.

Joe Flores was on the track this morning and worked the full mile and a quarter distance, but his effort did not seem to impress the clockers. His time for the distance over a slow track was 2:15. As the track was rendered soft by rain last night he was the only Caliente candidate to work, although Phar Lap was out for his customary morning gallop.

LIBERTY LIMITED FIT

NEW ORLEANS, La., March 15.—That the Three D's Stock Farm Stable's highly regarded Kentucky Derby hope, Liberty Limited, is well advanced in his preparation for that race was vividly demonstrated when he worked seven-eighths in 1:31⅘ over the Fair Grounds track this morning. The son of Sir Gallahad III. went the half mile in :49⅖, and the three-quarters in 1:17. Trainer John F. Schorr is greatly pleased with the manner in which the colt came through with preparatory assignments up to this time and is most certain that he possesses much quality.

CANTRELL SLIGHTLY BRUISED

NEW ORLEANS, La., March 15.—Jockey Leonard Cantrell, brushed off Harold Ormont when that five-year-old was crowded into the rail during the running of the first race yesterday, was treated for a minor sprain and bruises about the left foot at the race track hospital today.

COADY WINS FOR WEANT

Defeats Clean Play in South Miami Purse at Tropical Park.

Chill Breeze Has No Effect on Attendance—The Heathen Adds Purse to His Earnings.

MIAMI, Fla., March 15.—W. C. Weant's Coady, in a driving finsh, was winner of the best offering of the Gables Association at Tropical Park this afternoon when in a sinew straining drive he just got up to score over Mrs. V. M. Duncan's Clean Play, with S. F. Murphy's Glenside, a former stablemate of Clean Play, saving third from T. Sullivan's Scot Free, the one that attracted most attention before the race. A chill breeze did not prevent a big crowd from turning out and it was swelled considerably by visitors from Havana, where the racing season came to a conclusion Sunday.

Coady's victory came in the South Miami Claiming Purse and six went to the post. Little time was lost at the barrier and the start was an excellent one, with Ensor at once taking command with Clean Play. When the back stretch was reached he was joined by Glenside and the pair, closely lapped, drew away into a lead of three lengths over the others.

SCOT FREE PINCHED BACK.

Ensor had the inside position with Clean Play and he had the son of Sweep under slight restraint as he went stride for stride with the son of Eternal. Westko was in third place and Coady was lapped on him. Scot Free had been slightly pinched back going to the first turn and he was in the rear, but within striking distance. These positions were maintained in the run through the back stretch and Westko was first to tire. As he dropped back Coady moved into contention, but Clean Play and Glenside were still racing along in front closely lapped with first one and then the other showing his head in front. Finally Glenside gave way and Clean Play drew away, but at the same time Coady came with a rush, while Scot Free was blocked when Stevens attempted to send him through on the inside.

Clean Play hung on well in the final drive, but his early racing with Glenside had taken its toll and in the final strides Coady dropped his head down in front. Glenside stuck it out to be third, but was a length and a half farther back and Scot Free was fourth.

CAPSHEAF BEST.

C. V. Whitney's Capsheaf, a son of Blondin—Belle of All, was an easy winner of the opening half-mile race, for maiden juveniles, and he established a new track record when he ran the distance in :48, to beat Ward & Burton's Opinion, while Joe Edwards' Strait Jacket easily saved third from Miney Myerson. Capsheaf left from the outside stall in the field of a dozen that started, and that is something of a handicap racing half a mile. He had speed enough to take an early lead and Robertson simply let him go along in his own fashion to be past the line winner by a length and a half. Opinion raced well all the way and held his position to beat Strait Jacket by a like distance. The Edwards juvenile had no excuse. Blarney Castle, one that had shown speed on other occasions, was never a contender, while Try Mack raced greenly and can surely do better.

W. L. Johnson's Charlie proved easily best of the big field of cheap ones that met in the second race, when, after making all the pace, he was an easy winner from R. F. Coppage's Marabou, with J. C. Ellis' Black Stockings saving third from Patrick Callahan. Charlie left his stall running and Hanford took every advantage of that when he sent him out to a safe lead. There he rated him along to increase his advantage to four lengths and he still was three lengths clear crossing the line. Marabou showed improved form under the energetic handling of Ensor and, steadily gaining, was in second place before the stretch was reached, but could not run the winner down and was a length and a half before Black Stockings. The Ellis gelding broke a bit slowly and ran a good race to reach third place before Patrick Callahan, finishing a length before the Fletcher plater. Estin was a disappointment. He closed some ground in the early racing, but could never reach a contending position and quit badly under a drive.

The Heathen was dropped down among the cheap ones in the third race at three-quarters, and then Ensor had to rouse him

BIG WINNERS FOR TANFORAN

Dr. Freeland, Golden Prince, Plucky Play and My Dandy Slated for San Bruno Course.

SAN BRUNO, Calif., March 15.—Quite a number of America's $100,000 winners will be seen under colors during the spring meeting at Tanforan, which begins Thursday, March 31. Fans everywhere have been impressed by the high caliber of the horses already stabled at the course, or which will soon be on the way.

Dr. Freeland, winner of about $140,000, may materially increase his earnings before being put on the cars for Tanforan, as he is eligible to the Agua Caliente Handicap, the winner of which is guaranteed the tidy sum of $50,000. Benny Creech can be depended upon to have the chestnut as fit as possible for that race.

Harry Unna has brought the gelding, Golden Prince, from Imperial Beach, where the Coffroth Handicap winner wintered in good shape, and it is likely there is a race or two left in the old fellow.

Plucky Play, still younger than either of the other great winners, having been foaledl in 1927, has not won quite as much as his rivals. Careful computation shows the earnings of the son of Man o' War's brother, My Play, to have been about $108,000. The five-year-old is in training at Mira Monte Farm.

It may be noted that My Dandy, a remarkably consistent performer and "pet" of Tanforan, passed the $100,000 mark by his stakes victories at the San Bruno track last fall.

TROPICAL PARK TURF NOTES

Frank M. Bray left for the Brandon Farm in Virginia Tuesday night. On his arrival he will take up the horses wintered at the farm and arrange for their shipment to Bowie. The Brandon youngsters have been in training for a couple of months. Several of them are said to have shown enough to warrant that they will develop into useful racers. Bray arranged with H. S. Hart to look after the horses he is leaving here.

A big delegation came in from Cuba this morning and were at Tropical Park looking the sport over. S. C. Nuckols, who acted as steward at Oriental Park, will stop over for a couple of days. He was accompanied by Bill Snyder, who filled the position of patrol judge at the Havana course. Julian White, Dr. Asche and Oscar Chaney were among others noticed in the crowd.

Jockey Willie Curran, one of the leading riders at Oriental Park, stopped over to visit with his friend W. Mulholland. Curran rode something like thirty-five winners at Oriental Park. He has several offers, among them one to ride for A. C. Bostwick.

J. T. Kermath is shipping his stable from Hialeah to Belmont Park Wednesday. Included in his string is the good two-year-old Helios.

Walter Anderson, of Bridgeport, Conn., formerly interested in the Coney Island race course near Cincinnati, was a visitor.

HORSES ARRIVE AT LOUISVILLE

LOUISVILLE, Ky., March 15.—The vanguard of horse owners, shipping from southern centers where racing has been in progress during the winter months, arrived late Sunday. These included the string of Asa Harned, Louisville turfman, who had six head, including the old campaigner, Typhoon: F. F. Brant's stable of four head and Mrs. C. Gregory's band of four. The Harned horses were given stalls at the Downs, while the other two stables were sent to Douglas Park. There was another slight snowfall Sunday night with the temperature registering another sharp decline and training operations will be necessarily curtailed for several more days.

PURSE AWARDED MISS CHILLA

MIAMI, Fla., March 15.—The protest lodged by W. Rosen that Inferno Lad did not carry his proper weight in the race he won on Saturday last, was allowed. Inferno Lad's owner claimed an allowance to which he was not entitled. First money was given to Miss Chilla, second money to Francock and third money to Wandering Gold. The betting was not affected.

COMMISSION MEETS SATURDAY

LOUISVILLE, Ky., March 15.—Polk Laffoon, chairman of the Kentucky State Racing Commission, has called a meeting of that body for Saturday noon at the Phoenix Hotel at Lexington. The matter of issuing a license to the Kentucky Association track and the ratification of the racing dates for the Lexington track is the principal business to be transacted, but in all probability dates for Latonia will be requested. At the first meeting of the racing commission held this year at the Brown Hotel, Latonia was granted a license, but no dates for the Covington track were submitted to this body. It is expected that the full membership of the racing commission will be in attendance.

NORMAN ROSS PUBLICITY MAN

E. J. O'Hara, president of the National Jockey Club and general manager of Sportsman's Park, which will open on May 2, has announced the appointment of Norman Ross, former world's champion swimmer and newspaperman, as public relations representative for this latest addition to Chicago's great racing plants.

MISS BUNTING ELIGIBLE

NEW ORLEANS, La., March 15.—The entry of John Marsch's Miss Bunting for the $2,000 added Liam T. MacCosgair Sweepstakes, to be run Thursday, was erroneously omitted from the nominations for that stake, the principal race of the meeting for two-year-olds, in the announcement of entries made yesterday. Racing Secretary Joseph McLennan explained that the entry was received several days before nominations closed Saturday last and that the error was made in compiling the subscriptions. Nineteen, including all the best developed here, are eligible for the race, which will be decided over three-eighths.

Miss Bunting was among the several candidates put through important training over a fast track this morning. She breezed three-eighths in :39, while the Three D's Stock Farm Stable's Black Squaw covered a like distance in :36, handily, and A. Pelleteri's Conquest went the MacCosgair course in :36⅗, handily. Paint Box, among the three named by S. W. Labrot, hurried over the same distance in :35⅘ and was never out of a handy hold.

QUATRE BRAS II. RETIRED

NEW ORLEANS, La., March 15.—The Three D's Stock Farm's Quatre Bras II., full brother to Sir Gallahad III., has been retired from racing and will be sent to the Three D's Farm within a few days. Under present plans, he will be bred to a few mares this season.

JUDAN began fast, shook off TRANSMIT after reaching the turn, bore out entering the stretch, but held on well after being overtaken by RITA ANN and was up to win in the closing strides. BLOW FLY, unable to keep up, lost much ground on the turn, worked her way up in the stretch and finished fastest of all. RITA ANN showed speed from the start, raced wide throughout and tired after taking the lead. AUSTERE moved up fast on the outside entering the stretch and raced resolutely thereafter. BLUE WAY held on well. BAG O' ROSES was in close quarters on the turn. WISE GRETCHEN tired badly in the final eighth. GORGEOUS was outrun.

K. RUSSELL, away fast and showing speed, was rated along under restraint for half a mile, responded mildly to light pressure in the stretch and Elston outrode Martin at the end. ELKHART saved much ground on the turn, wore down GOLDEN LIGHT under pressure and, despite excessive punishment, held on gamely, just failing to last. MARLENE lacked room near the turn, went to the outside in the stretch and closed fastest of all. GOLDEN LIGHT showed speed under hustling riding, then tired. POLYP held on gamely. RUN ON, away slowly, raced well. RUTH M. showed early speed. DOROTHY HICKS, outrun, raced wide on the stretch turn.

BURGOO, benefiting by the fast early pace, raced wide after reaching the closing three-eighths, responded well when hard ridden in the stretch and, closing fast, overtook BLACK TYRONE in the final strides. WENT TO POST—3:39. AT POST—4½ minutes.

Start good out of machine. Won driving; second and third the same.

THE HEATHEN drew clear in the first quarter under light restraint and, continuing gamely in the stretch under strong pressure, held the others safe. ZEGORA improved her position on the outside and wore DEDICATE down in the last strides. DEDICATE, shuffled back on the turn out of the back stretch, moved up resolutely along the rail entering the stretch, then tired. HIEOVER and DISCOBOLUS finished resolutely. ESSIE lacked speed and was never prominent. BAD AXE began from outside the machine.

Scratched—69203 Backfire, 114; 69302 Nardo, 103.

Start good out of machine. Won driving; second and third the same.

COADY, on the outside throughout, followed the leaders under restraint until rounding the lower turn, moved up gamely when called upon and wore down clean play in the closing strides. CLEAN PLAY showed good speed, raced on the outside and was close to the early leader, drew clear in the stretch, but tired in the final seventy yards. GLENSIDE saved ground on the first turn, took a short lead, was pinched back midway around the lower turn, but could not get up. SCOT FREE tired in the stretch. WESTKO also tired.

AUSTRALIAN RIDERS POPULAR

W. Elliott and E. Martin Gain Favor With Racegoers at Agua Caliente — Experienced Horsemen.

AGUA CALIENTE, Mexico, March 15.—Those two Australian lads, William Francis Elliott and Edwin James Martin, who crossed the broad Pacific to help train Phar Lap for the $50,000 Agua Caliente Handicap, are making quite a hit with racing fans hereabouts. Not only are they pleasant little men, but they know what it is all about when it comes to riding thoroughbreds.

Agua Caliente fans had their first glimpse of Elliott and Martin in action during the past few weeks and have placed the stamp of approval on both. Unlike other foreign jockeys who have journeyed to our shores, they believe in hustling their mounts away from the barrier, a procedure that does not seem to be popular in Europe. Both demonstrated that they are alert post boys and know the shortest way around the track. Their weakness, particularly that of Elliot, appears to be in wielding the whip.

Recently Elliott rode Pookanaka, Mirvin Louise and Jotiva, three very cheap animals. Pookanaka, making his first start in eighteen months, was so unruly at the barrier that he was placed on the outside. Elliott got him off fast, took a nice hold on him and was just about to send him to the front when Pookanaka broke down so badly it is feared he may have to be destroyed. On Mirvin Louise, also a bad actor, he was off in the first flight, stole a four lengths lead around the first turn, but was on a "short horse" and Mirvin Louise quit. On Jotiva, one of the most sluggish animals extant, he was away as well as could be expected and saved much ground by hugging the rail to have the animal close up at the finish.

Martin rode Ragtime, one of the extreme outsiders in a race recently. He clung to the rail all the way and when danger loomed up on the last two turns eased back just enough to avoid serious trouble, yet not take his horse off stride. While Elliott appeared a trifle weak with the whip while urging Mirvin Louise in the stretch, Martin swung the lash with considerable force and although considered an inferior pilot to Elliott in his homeland, he may prove just as popular at Agua Caliente as his fellow countryman.

Both boys have announced that they will be active in the saddle during their stay at Agua Caliente, and it is likely that they will obtain their share of mounts, for they have the stuff and will, undoubtedly, improve as they become acquainted with the various owners and more familiar with the course.

BLACKSTRAP forced the pace from the start, moved to the leaders when rounding the far turn, was again placed under pressure in the stretch run and finished well. THISTLE ACE outran his field to the first turn, displayed good speed, drew away at the far turn when called on, but faltered badly at the end. HOWEE, under restraint in the early running, closed some ground slowly. GENERAL COURT moved up slowly nearing the far turn, but faltered when placed under pressure in the stretch run. SWITCH was outrun from the start.

THE LINCOLNSHIRE HANDICAP

(Continued from first page.)

Jockey Club rules shall be run earlier than in the week which includes March 25, unless that be the one next before Easter Sunday, in which case races may be run in the preceding week. In accordance with these terms the English racing season this year began March 15, the privilege of holding the first meeting falling as usual to Lincoln. It is a privilege that is thus conferred. With the exception of one race—the Lincolnshire Handicap—the program is a poor affair; but the public, which has seen no racing on the flat for four months, are keen to get in touch with it once more and are not, therefore, disposed to be hypercritical.

Lincoln is about 150 miles north of London and perhaps twenty-five miles from the sea coast. At this period of the year it is apt to be a bleak place. The race course lies on an area of flat land, known as the Carholme, at the foot of a ridge which cuts through the City of Lincoln. The beautiful cathedral with its noble towers stands on top of the ridge, and so can be seen a long distance off. It often happens in March that the east wind comes tearing over the ridge and across the Carholme to freeze the marrow of the crowds that assemble to hail the return of racing. But the people turn up year after year regardless of all discomfort. The lure of the turf is as strong as ever, notwithstanding the fact that it is a vastly more expensive pastime to follow than in the pre-war days, when the railway companies provided trains run at specially cheap fares to race meetings.

There has been racing at Lincoln for more than 300 years. A meeting was organized there in the spring of 1617 for the benefit of King James I., the father of the two Charleses, who were both keen patrons of the turf.

The races King James witnessed were run on a course situated to the south of Lincoln, whereas the Carholme, which has been used as long as anybody living can remember, is on the north side of the town. With regard to King James' visit, it is recorded that His Majesty "stood on a scaffold which the city had caused to be set up." There is, however, a document in existence which shows that the cost of erecting the royal stand had to be borne by the king himself. It was thought worthy of note to record that for that memorable occasion the last two furlongs of the race course were railed and corded with rope "on both sides" so that the people were kept out "and the horses that ran were seen fair."

It is a far cry to those days of improvisation, but the Lincoln race course even of today, is rather antiquated. Some of the accommodations have been modernized, but alongside are antediluvian structures probably a century old. The course is, however, only used seven days each year, so there is not much inducement to the management to lay money out on costly improvements. This is one great drawback to racing in England. There are far too many race courses. If there were fewer they would be more frequently used, and it would become worth while to equip and keep them on thoroughly up-to-date lines.

The Lincolnshire Handicap, which will be run today, is a race which dates back to the year 1853. At the outset it was called the Lincoln Spring Handicap. It was then a small affair, a sweepstakes of $50 each, half forfeit. A paltry $250 was added. Moreover, the owner of the winner was called upon to contribute $50 toward the expenses of the meeting. There were nine starters in 1853, and the value of the stakes to the winner was $810. The race was won that year by an aged horse called Caurire, who later in the season was sent to France.

For the first twelve years the Lincoln Spring Handicap was run over a mile and a half. In 1855 the winner was the three-year-old Saucebox, which had only three opponents and started an even money favorite. The following September Saucebox won the St. Leger at Doncaster. He is the only classic horse which has won the Lincolnshire Handicap. That brilliant mare Sceptre, however, was beaten a head only in 1902, the year she won the Two Thousand and One Thousand Guineas, the Oaks and the St. Leger. The daughter of Persimmon—Ornament was not thoroughly trained when she ran at Lincoln, or she would most certainly have won quite easily and have placed a small fortune in the pockets of her then owner, Robert Sievier. As it was, St. Maclou caught her on the post and won by a head. Sceptre's defeat served to emphasize the idea that three-year-olds cannot be expected to win the Lincolnshire Handicap in March, no matter how leniently they are handicapped.

True, no three-year-old has won the race since 1893, when Barcaldine's son Wolf's Crag was successful, but the fact is that during all the intervening years few three-year-olds have been given an opportunity of winning, and with the exception of Sceptre, which, when half fit, all but scored a victory, they have been second and third rate horses. The real truth is that if a horse is engaged in the classic races it does not pay to prepare him so soon for a severe ordeal like the Lincolnshire Handicap. If our trainers would put forward that excuse instead of pretending that a three-year-old has no chance, there would be no more to be said. In 1892, the year before Wolf's Crag won, the first and second horses were both three-year-olds, the winner being Clarence. There was only one other three-year-old in the field that year.

Then, again, mares have rarely won the Lincolnshire Handicap. The last to do so was Little Eva, who carried off the prize in 1901. But the idea that mares possess but a slender chance of winning the Lincolnshire is as strongly rooted as the prejudice against three-year-olds, and few have been entered for the race in recent years.

In 1865 the distance of the Lincolnshire was reduced to a mile, and ever since it has been decided over a straight eight furlongs of practically level ground, though there are slight undulations. By the year 1873 the Lincolnshire had become a sweepstakes of $75 each, $50 forfeit, with $2,500 added. It was then worth $5,325 to the winner and there were 100 entries. In 1874 the sweepstakes was increased to $100 and $5,000 was added. This change was due to some of the leading bookmakers.

How it came about is told by the late George Hodgman, in his wonderfully interesting book, "Sixty Years on the Turf." While the Lincoln spring meeting of 1873 was in progress another bookmaker, Harry Steel, approached Hodgman and asked whether he did not think that the added money should be increased to $5,000, seeing that the value of other handicaps was being increased. "Yes," said Hodgman, "but where is the extra $2,500 coming from?" "We will get it out of the ring," replied Steel. Two or three members of the ring quickly collected the money and handed it to the clerk of the course. So $5,000 was added to the race the following year. The event at once gained an added importance and the meeting of 1874 was so successful that the clerk of the course, when thanking those who had subscribed the $2,500 for their liberality, told them that the executive would in the future be able to find the additional money. There were 150 entries and thirty-five starters for the race in 1874, and the value to the winner was $9,850. Only once has there been more runners—in 1881, when the number was thirty-six. Ever since 1874 the Lincolnshire has been a highly popular handicap, largely because it is the first big race of the year. Entries are received at the beginning of January, the weights are published at the end of that month, and so for six or seven weeks the public makes it a frequent topic of discussion. As a medium for ante-post betting, it possesses a strong attraction. Hence the intense interest with which the result is awaited all over the kingdom.

Only once has the race produced a dead heat—in 1871, when Vulcan and Veranda could not be separated. And only one horse has ever won the Lincolnshire twice. The distinction belongs to the French horse Ob, who was successful in 1906 and 1907. The first year he carried 112 pounds and started at 20 to 1; the second year his weight was 122 pounds, and odds of 25 to 1 were laid against him. The longest priced winners were Oberon and Veracity, successful in 1887 and 1888. Both were 50 to 1 chances. The Lincolnshire is a race rarely won by the favorite.

AGUA CALIENTE NOTES

Marine, the Canadian owned animal, from the stable of K. Dawes, was boosted from 6 to 1 to 8 to 1 in the Agua Caliente future book this morning.

Terry O'Malley, who has been at Agua Caliente during the meeting, will leave for the East in a few days.

Francis Dunne has received stall reservation blanks for the spring meeting at Exposition Park, Aurora.

H. A. Wolfe, Australian editor now visiting here, states that his home land is greatly interested over Phar Lap's invasion of America and each bit of news concerning the animal is eagerly sought by the Australian press. Mr. Wolfe is of the opinion that Phar Lap will win the race by himself.

William P. Kyne, well known San Francisco promoter and one of America's outstanding handicappers, has wired for reservations for Agua Caliente Handicap day.

J. W. Williamson, Del Monte racing manager, was an arrival. He is seeking jumpers to participate in the one-day meeting to be given at Del Monte, April 3.

Charlie Gross, trainer of Spanish Play, is an old Tijuana rider. He is still remembered in the West as one of the best of the two-year-old pilots.

Steve O'Donnell, who rode Mike Hall to victory in the Agua Caliente Handicap last season, does not favor the chances of Phar Lap in this year's renewal of the race. Steve rode Phusla, which came from France, some years back in the Coffroth Handicap.

Jockey Guy De Peso had his first mount since his reinstatement when he rode Devolta in the third race Tuesday.

Jockey H. Maddux returned to the saddle after serving a short suspension.

ST. PATRICK'S DAY FEATURE

Liam T. MacCosgair Sweepstakes for Juveniles Heads Attractions.

Miss Careful and Nituma Expected to Provide Exciting Contest—Fillies Best of Youngsters.

NEW ORLEANS, La., March 15.—Juvenile racers, perhaps future makers of turf history, have their inning St. Patrick's Day at the Fair Grounds when they meet in the Liam T. MacCosgair Sweepstakes, a dash of three furlongs.

Black Gold was a development of winter racing in the Crescent City some years ago and there may be another sturdy youngster among the 200-odd two-year-olds of the present crop uncovered. The MacCosgair Sweepstakes is certain to attract the best of the "babies" in training in this section.

Miss Careful, a bay daughter of Chance Play—Meddlesome II., has won three of her four starts, while Figuriste, another double victor during the winter season, has two triumphs chalked up to her credit.

Indications point to a filly ruling the roost in the juvenile division, as a majority of the races for members of this rank have been accounted for by the feminine sex.

Nituma, a miss that campaigns in the silks of Carlos Ormsby, a Kentuckian, is credited with two victories and a third, as well as two of the fastest races of the season. The daughter of Cherokee established a record for a quarter of a mile in her initial appearance under colors at Jefferson Park, then was defeated by Miss Careful.

The Ormsby youngster demonstrated her class beyond doubt by coming back and soundly trouncing Miss Careful and in near record time for three furlongs.

Some of the other "babies" that will be among those seeking the $2,000 added prize are Black Squaw, Gloritone, Boston Waters, Justice Logan, Crucial Test, Strideaway, Marion E., La Contessa, Spanish Way, Almadele, Sir Michael, Rigaud, Colored Artist, Girl Graduate, Miss Bunting, Merovech, Captain Jerry and several others which have not yet been seen under colors.

WHEATLEY AND BELAIR PLANS

Stables' Horses to Be Shipped to Bowie From Miami—Kelsay Reports to Fitzsimmons.

NEW YORK, N. Y., March 15.—The horses of the Wheatley and Belair Stud Stables, which raced at the recent Hialeah Park meeting, will be shipped from the Miami course to Bowie. George Tappen, who was in charge of the Florida string, will take them to the Maryland course, where they will race until the New York season opens April 16.

James Fitzsimmons, head trainer of the Wheatley, Belair and Phipps horses, which are wintering at Aqueduct, wired jockey Tommy Malley to return from Miami immediately to help train the horses here. Malley will leave the Florida city tomorrow. Jockey "Bill" Kelsay, who will do the heavy weight riding for Fitzsimmons, already has returned north and has reported at Aqueduct.

Hank Mills, the youthful and sensational apprentice who was signed to ride the horses in Fitzsimmons' care this summer, will have to undergo a minor operation on his nose before reporting for duty. He is expected to be on hand at the end of this week.

Jockey Hubert Callahan, who will ride some of the horses trained by Max Hirsch this year, reported to his contract employer at Belmont Park. Callahan is recovering from a leg injury, received at Hialeah Park last month. He expects to be able to gallop horses by next week. "Pete" Walls, who also rides for Hirsch, is back at his Long Island home after a winter in Florida. He will report to Hirsch within the next few days.

Because of the severe cold and high wind ruling in this section, none of the trainers on the three Long Island tracks sent their charges out to work this morning. The tracks at Belmont Park, Aqueduct and Jamaica were in good condition, despite the weather, which was as cold as has been experienced here this winter.

MARYLAND TURF NOTES

Frank Bray, efficient trainer of the Brandon Stable, is pointing Brandon Mint, star of the stable of twelve horses he will race at Bowie for the $5,000 Rowe Memorial Handicap, mile and seventy yards race listed for April 5.

Due to the abolishing of seven furlong races here, together with the death of James Rowe's son last fall, race secretary Joseph McLennan has changed the name of the James Rowe Memorial Handicap to Rowe Memorial Handicap and increased the distance to a mile and seventy yards. The latter distance will make for a much more interesting race as it will start and finish in front of the grandstand.

Horsemen are advised not to ship to Bowie unless they have received notification from track superintendent Pending that they had been granted stalls. There is ample stable room at Laurel and Marlboro, which is only six miles from here via excellent automobile roads, and horsemen who fail to secure quarters will not be put to any unnecessary hardships if they are forced to van from nearby tracks.

General manager Joseph B. Boyle sends word from his Baltimore offices that there is a big demand for private boxes at Bowie, which makes it look as if the Southern Maryland Agricultural Association's approaching meeting is going over with a bang.

SISTER TO BUBBLING OVER

Chestnut Filly Arrives at Idle Hour Farm — Peter Hastings and High Time's Books Full.

LEXINGTON, Ky., March 15.—There is an own sister to Bubbling Over at Idle Hour Farm. Her color is chestnut and she is by North Star III.—Beaming Beauty, by Sweep. She arrived Sunday and Olin Gentry says she is one of the best foals ever seen at Col. E. R. Bradley's famous establishment. Blue Larkspur is Beaming Beauty's mate this year.

At Faraway Farm, Lady Comfey, by Roi Herode, has presented Samuel D. Riddle with a brother to American Flag. The youngster was foaled March 11 and is a chestnut by Man o' War. Lady Comfey is visiting Crusader, son of Man o' War, this year. Taps, by Man o' War, has a bay filly by Sir Gallahad III., born today at Faraway Farm, and is to visit Big Blaze.

Albert C. Bostwick has sold the imported stallion Daimyo, bay, eleven years old, by Gay Crusader—Osaka, by Isinglass, to the United States government for use in the Remount Service.

The racing stable of Joseph E. Widener, numbering thirty-six horses, in charge of trainer Henry McDaniel, reached Belmont Park today. They were shipped from Elmendorf Farm Sunday morning.

Snow fell again Sunday night and Monday morning, interrupting training operations at the Kentucky Association track, but it soon melted.

Ross Long, manager of Dixiana, reports the books of High Time and Peter Hastings full for this season.

NEW YORK TURF NOTES

Among the recent arrivals at Belmont Park was Thomas McCreery, who was in charge of a division of the Howe Stable at the recent Hialeah Park meeting. He has resumed the training of the string that was left in charge of his foreman.

Cambal, the Kentucky Derby candidate, from the stable of Mrs. George U. Harris, is an impressive looking individual this winter. Since being retired into winter quarters at Belmont Park this son of Campfire, from Celiva, by Celt, has grown and filled out appreciably. He now stands fifteen and one-half hands in his racing plates. John Hastings, who trains for Mrs. Harris, recently returned from Miami, where he raced a division of the Brookmeade Stable horses, and has resumed active training of Cambal, which he left in charge of his foreman. Hastings was well pleased with the condition of Cambal, which was slow to come to hand last year and showed his best form over a distance.

FOALS COLT BY EPINARD

MIAMI, Fla., March 15.—John Oliver Keene was much elated when he received word from Kentucky that Jeanne Bowdre had foaled a handsome chestnut colt by Epinard. Keene considered Jeanne Bowdre the best brood mare at Keeneland Stud. Another colt, a bay by Veto, from the Luke McLuke mare, Luscinia, was also an arrival at Keeneland.

BERTJOHN'S DERBY WORKOUT

Impresses Good Judges by His Manner in Galloping One Mile and an Eighth.

NEW ORLEANS, La., March 15.—Fearful of giving him a bit too much racing before filling his engagement in the Louisiana Derby, to be run over one mile and an eighth, trainer William Hurley withdrew Col. E. R. Bradley's Bertjohn, probable favorite for Derby honors, from the Post Parade Purse, today's feature race, and worked him the Derby route. The son of Broadway Jones was on the track about mid-morning and, with James Smith, who will ride him in Saturday's race, in the saddle, went the route, under smooth rating and restraint, in 1:55⅕.

The trial concluded his training and, aside from the regular short speed sharpener Friday morning, he is fit and ready to attempt to win honors in the coveted feature, twice won by starters from his owner's stable. Hurley also gave Battering Ram, one of the stable's reserve candidates, a useful trial, the son of Bubbling Over going one mile in 1:44⅘.

The skillful Smith rated Bertjohn over the first half-mile in :49⅗ and three-quarters in 1:15⅗. He reached the end of the mile in 1:42⅗ and, quickening his pace, ran the last eighth of the long route in :12⅘. The manner in which he finished leaves no room to doubt that he will be well suited by the long Derby distance.

Hurley has great confidence in Bertjohn and, barring adverse luck in the race, looks for him to make a great, if not successful, challenge for the prize. He is held in high esteem by the best of judges and has as big a Derby following as any candidate.

With A. B. Letellier's Sazerac, S. W. Labrot's Springsteel, J. Leiter's Prince Hotspur and Princess Camelia, P. C. Thompson's Crystal Prince, J. J. Robinson's Renaissance and Bengal Tiger, another of the Bradley Derby eligibles under colors in today's principal race, the day was a busy one for Derby aspirants. Lucky Tom, stable companion of Renaissance, is scheduled for a final distance work Thursday morning. Trainer H. C. Riddle sent him one mile Monday in 1:45⅗.

COADY WINS FOR WEANT

(Continued from first page.)

smartly and ride him out energetically to have him the winner over Mose Lowenstein's Zegora, and Ward & Burton's Dedicate easily saved third from Hieover. The Heathen drew out into a good early lead and Ensor rated the old fellow along as Bad Axe ran after him. Then Dedicate and McTinkle both moved up and Bad Axe dropped back rather badly, but The Heathen held to his lead. Ensor went out slightly at the stretch turn and, there, Dedicate was rushed up on the inside and, for an instant, he threatened to catch the veteran son of Donnacona, but Ensor went to work on the old fellow to hold his lead. McTinkle had dropped back badly, but Zegora, which had been well back in the early stages, came with a rush in the final sixteenth and, while The Heathen was winner by slightly more than a length, Zegora was up to beat Dedicate by a head for second place, and Hieover was fourth but another seven lengths back.

Montanaro was an easy winner in the fifth race. He was in with a much poorer band than he usually races with and his connections were confident of the result. The Hatch racer was always favorite. When the start came Montanaro was off with the leaders. Riley eased back at the first turn and went to the outside making the turn into the back stretch. Moving up fast going to the half-mile post, Montanaro was in front and for the remainder of the journey Riley had his mount under slight restraint. Coming into the home stretch Bounding Deep moved up with a bold move, but the winner always held him safe and at the finish had a margin of a length and a quarter to spare. Braggadocio was third another length and a half back.

KENTUCKY TURF NOTES

R. M. Eastman's Black Mammy and Mrs. Swikard's Last Second were vanned to the Headley farm to be turned out.

Walter Taylor was given stall room at Douglas Park for fifteen head of horses he is training for F. A. Carreaud, which were campaigned in Florida this winter.

C. H. Ferguson has the old campaigner Kentucky Ace, the three-year-olds Major Ben and Fireflash, the latter a Kentucky Oaks candidate, in training at the Downs, while four juveniles will make up his racing stable this year. The two-year-olds are Threat, a chestnut colt, by Nocturnal—Dame Thunder; Meteoric, chestnut colt, by Nocturnal—Moon Dove; Fastidious, black colt, by Nocturnal—Tidy, and a black filly; Bettina H., by Nocturnal—Our Betsy.

Willie Crump has had confirmed the names for his three two-year-olds, which are Head Play, chestnut colt, by My Play—Red Head; Baggage Miss, chestnut filly, by Bagenbaggage—Trenid, and Craigen Lady, chestnut filly, by Craigangower—Eleanor C. Crump is still light enough to gallop horses and he is in the saddle every day exercising one or more of his charges.

Jockey Albert Casnover, who rode for L. F. Leary last year, has joined up forces with C. H. Ferguson, who has his horses at the Downs. Albert has ridden in South America, Cuba and most of the tracks in the United States.

MEETING AT ST. JOHNS PARK

$500 to $800 Purses Offered by Florida Jockey Club—Opening Day Monday, March 21.

JACKSONVILLE, Fla., March 15.—Purses ranging from $500 to $800, sufficient to attract a large majority of the horses now running at Tropical Park, are announced by the Florida Jockey Club which will open its ten-day spring meeting at St. Johns Park, Bayard, Fla., next Monday, March 21. Conditions for the first five days promise interesting racing at that plant.

The opening day feature, Monday, will be the St. Johns Handicap, purse $800, for three-year-olds and over, three-quarters of a mile. The Jacksonville Journal Purse will be run on that day also. This is a mile race for three-year-olds and over.

The first race for two-year-olds will be run on the second day. It is a half-mile dash for maidens, weight 118 pounds, claiming price $2,000. On this day the Hotel Andrew Jackson Purse will be decided. This is for three-year-olds, weight 118 pounds, with graduated allowances for non-winners of two races of $1,000 in 1932, or $1,500 at any time, for non-winners of $1,000 this year, and for non-winners of two races of any value since December 18. Maidens are allowed fifteen pounds, but maiden and claiming races are not considered in the conditions. The distance is five and a half furlongs.

Next Wednesday's banner event will be the Hotel Burbridge Handicap, at a mile and a sixteenth, for three-year-olds and over, purse $800. The Wednesday card will also include the Hotel Mayflower Claiming Purse, one mile, for four-year-olds and over, claiming price $2,000, and the St. Augustine Record Claiming Handicap, for $5,000 platers. The distance is one mile.

The Bayard Purse, a dash of a half-mile for two-year-olds, will feature the Thursday card. This is worth $800. The George Washington Hotel Claiming Handicap, for three-year-olds and over, will attract horses entered at a claiming price of $3,500. The distance of this is announced as five and one-half furlongs.

The best sprinters on the track will be attracted to the Studebaker Champion Gold Cup Handicap, to be run Friday, March 25. This is for three-year-olds and over, at five and one-half furlongs. The Hotel Carling Claiming Handicap, at one mile, will claim some attention on this day. The claiming price is $5,000.

St. Johns' official family will be much the same as that at Tropical Park. The stewards are Tom Thorp, Vincent Treanor and S. H. Woodward. H. D. Monroe will be presiding judge and the associates George Read and T. O'Brien. Judge Monroe will also serve as racing secretary and the handicappers will be Messrs. Thorp, Treanor and Monroe. G. R. Wingfield will be the starter.

LEXINGTON TURF NOTES

Horace N. Davis has sent in from his Blue Grass Heights farm to the Kentucky Association track to be trained by Hayward Oots, the three-year-olds Mannerism and Abe's Pal, and the following two-year-olds: Brown filly, by Axenstein—Eau de Nil; chestnut filly by Bubbling Over—Minawand; bay filly, by Terry—Railon; bay filly, by Rire aux Larmes—Zeled; bay gelding by Rire aux Larmes—Resistance; chestnut colt, by Terry—Bolfie.

Ross Long, manager of Charles T. Fisher's Dixiana, has returned from Chicago, where he purchased a four-stall Bahr starting gate, at which trainer Clyde Van Dusen will school the horses he is preparing at Dixiana for racing on Kentucky and Illinois tracks this season.

J. O. Keene lost the mare Barenka at Keeneland Stud Sunday after she had foaled a bay filly by Vito. The foal was given to a foster mother.

Jeanne Bowdre foaled a chestnut colt by Epinard at Keeneland last week, and Luciena, another of the Keeneland mares, has a bay colt by Vito. Darkest Hour, one of the Keeneland string, has been gelded.

William Westerfield, trainer for J. E. Mahon, has the three-year-olds Memphis Lass, Won Way and Sun Bonny and the following two-year-olds in his string at the Kentucky Association track: Memphis Bill, brown gelding, by Mere Play—Little Memphis; Sweet Bonny, chestnut filly, by Sun Pal—Bonny; Luke Rose, bay colt, by Pagan Pan—Rose d'Or; Air Flyer, br. f, by Pharamond II.—Air Cushion; One Dime, bay filly, by Emissary—Little Casino. After the Lexington meeting, they will be raced at Chicago, going first to Aurora.

Fred A. Forsythe, secretary of the Thoroughbred Horse Association, has been suffering with influenza the last week.

In reporting this morning the arrival at Idle Hour Farm last night of a brown filly by Blue Larkspur—Clonaslee, by Orpiment, Olin Gentry stated that it is the best foal of this year by Blue Larkspur. At Col. E. R. Bradley's noted establishment this year there are thus far twelve foals, of which eight are fillies.

The third foal by Misstep, a chestnut filly from My Premier, by Sir Martin, arrived last night at Le Mar Stock Farm. A. E. Hundley & Son, Monietta Farm, Danville, Ky., report the arrival of an own-sister to Misstep, by Upset—St. Theresa, and say it is the best looking foal the mare has had.

Smith G. Baker has returned from Miami, but Col. R. L. Baker continues to train his own horses at the Kentucky association track. He said today that he very likely will continue in the capacity of trainer. The horses in the string are Perfect Model, Anna Beall, Helen Bond, Ledford, Squall, Peggy Lehmann, Brush Down and the two-year-olds Just Fly, bay colt by Justice F.—Fluzey, and Flag Wave, bay filly by American Flag—Manicure.

Stanley W. Dwinnell, of Minneapolis, is the best judges of young horses in America, here seeking thoroughbreds for riding purposes.

P. H. Jones, well known Cincinnati horseman, is a visitor here with a view to buying two or three horses to campaign this year.

TRAINING IMPRESSIVE GROUP

Hieatts Prepare Nine Juveniles for Racing This Year.

Ladkin, Sweep On and Captain Alcock Are Represented—Junius Bell Names Promising Colt Wood Worker.

LOUISVILLE, Ky., March 15.—C. C. and G. Y. Hieatt, Louisville turfmen and breeders, have nine head of two-year-olds in training that they will campaign this year. Since the death of their stallion, Sir John Johnson, the Hieatts have bred to outside horses standing in the Blue Grass country.

Three by Ladkin are a chestnut colt, Mercurio, from Soria, which begat the stake winners Ledge and Billy Warren; a chestnut colt, Graceful Lad, from Grace of Ogden, dam of Thundertone; a chestnut filly, Sweet Lassie, from Sweet Brier, dam of the Latonia Cup winner, Ben Machree, and the stake winner, Joy Smoke.

Sweep On is represented by a bay colt, Sweeping Star, from imported Order of the Star, and a bay filly, Mi Cara, from Clarissa Anne, by Sir John Johnson, from Miss Kearney, the dam of Zev.

Captain Karo is the name of the bay colt by Captain Alcock, from Karo, the dam of Mark Anthony.

Infinite is represented by a chestnut filly, Infinette, which is from Minette, she by Friar Rock, from Clarissa Anne.

On Duty, a filly by Escoba, has a black or brown filly named Moorish Amulet, by Dozer, her first foal.

Flitter Light is a chestnut filly, by Flittergold, from Limelight.

Junius W. Bell, who breeds thoroughbreds on a small scale at his farm at Prospect, has given the name of Wood Worker to his two-year-old chestnut colt, by Altawood, from High Pitch, by Zeus—Miss Agnes. The granddam of this youngster was raced by Bell and was a consistent purse winner. She was the dam of the good colt Ben Bolt, which he bred and raced several years back.

Danny Stewart, former trainer of the H. M. Woolf and J. N. Camden stables, was the trainer of Ben Bolt before Bell sold him.

Nest Egg is the name that the brown filly, by Hildur—Annie Gilmore, will raced under the Bell colors this year. Annie Gilmore never foaled a colt or filly that raced that did not win brackets. She is twenty-two years old now, but is still producing, being in foal to Harry Baker now.

W. G. Sparks, who has the Bell horses in his charge, received word from Willard Wilson, president of the Tennessee Coal and Iron Company, of Birmingham, Ala., that he was sending him a two-year-old and a three-year-old from his breeding farm at Franklin, Tenn. Wilson bred both of the horses he has engaged Sparks to train for racing.

Sparks reports his brother-in-law, Bob Frakes, of Lexington, as being much improved in health after a long sojourn in Asheville, N. C. Frakes was one of the outstanding trainers in the younger ranks of horse conditioners back in 1929, and trained the sensational colt, Sir Peter, for Junius W. Bell, who disposed of him to Mose Goldblatt before the running of the initial Cincinnati Derby for the reported price of $30,000.

LEITER RACER SCORES

race for three-year-olds, and also at three-quarters. T. P. Martin, who had the mount on Elkhart, literally whipped the R. C. Thatcher gelding out of first award. The favorite, Marlene, finished third, after a rough journey and, while strongest of the leaders in the late stages, was a neck back of Elkhart at the end. After showing the way to the stretch, Golden Light failed to withstand the more successful trio.

Another short-priced choice fell by the wayside when Dick Morris went down decisively in the three-quarters third race. He failed to account for any part of the purse, the major part of which fell to Burgoo, also ridden by Elston. It was the victor's third straight success under the colors of Mrs. A. Manale, local patroness.

Again the finish was a driving one, the winner getting up to defeat Black Tyrone by a neck as the latter outstayed Gettin Even by a head. Burgoo reaped great benefit from the head and head duel of Black Tyrone and Tombereau for the lead, the two speedsters running along on almost even terms and fully extended for almost five-eighths. Despite the severe early effort, Black Tyrone held on amazingly well, and it was only when within a few strides of the finish that he succumbed to the winner's charge.

NEW ORLEANS, La., March 15.—Entry blanks for the Ohio State Derby, $10,000 added, to be run over one mile and an eighth, June 4, at the Bainbridge Park course, were released for distribution today by Julius Reeder, racing secretary at the Ohio track. Nominations close Saturday, May 28.

FOALS AT THE HERTZ FARM

Five, Three Fillies and Two Colts, by International Star Reigh Count.

CARY, Ill., March 15.—Fillies are in the majority in the matter of Reigh Count's foals at the Leona Farm of Mr. and Mrs. John Hertz. So far five budding racers, sired by the turf hero of two continents, have arrived at the 1,000-acre breeding establishment overlooking the Fox River this spring and many others are expected.

The first of Reigh Count's foals to arrive was the colt from Anita Peabody, by Luke McLuke, which no less an authority than Frank S. Hackett says is the finest looking youngster he has seen in his thirty years' connection with the sport. The colt, foaled on January 16, surpasses in appearance his year older brother, a member of Reigh Count's first crop of foals, Hackett believes. He is a light brown in coat color. The second foal, which reported on February 9, also is a colt and, like his illustrious sire, is a chestnut. His dam is Tetrarch's Captive, a daughter of The Tetrarch.

The three fillies then arrived, the chestnut from Vanish, by Eternal, coming on February 27; the bay or brown, from Miss Begoe, by Bachelor's Double, foaling on March 7, and the brown from the Luke McLuke mare Wild Notes reporting on March 12.

Other Leona matrons which have foaled are as follows: January 10, chestnut filly, by Last Reveille, from Witchbroom, by Negofol; February 12, bay colt, by Stimulus, from Golden Heels, by Golden Sun, and March 12, brown colt, by Last Reveille, from Helen Betty, by Maintenon.

Miss Begoe's foal came at Foxcatcher Farms in Virginia, where the mare was sent to be bred to The Satrap. Golden Heels is at Claiborne Stud, in Kentucky, to be returned to Stimulus, while Witchbroom is at Slickaway Farm, in Kentucky, where she will be bred to Fair Wind. Helen Betty is at Otto W. Lehmann's Chesney Farms at Lake Villa, Ill., being owned in partnership with the president of the Arlington Park Jockey Club. Last Reveille stands at Leona with Reigh Count and Fair Wind, another Hertz stallion, is at Hinata Farm in Kentucky.

BRADLEY HORSES TO BOWIE

NEW ORLEANS, La., March 15.—Plans for the future racing of the division of Col. E. R. Bradley's stable here in charge of William Hurley, have been re-arranged and instead of shipping all of the horses back to Idle Hour Farm for a rest, Hurley will take ten or twelve to Bowie. Others will be sent to the farm.
